The following program is recommended for certain trees and shrubs on your property. In addition to a thorough plant health care program, Bartlett Tree Experts recommends having a qualified arborist inspect your property periodically to assist you in identifying potential risks or hazardous conditions relating to your trees or shrubs. THIS IS NOT AN INVOICE.

Thank you for selecting the Bartlett Tree Expert Company to provide you with scientific tree and shrub care. This proposal is based on my knowledge and inspection of your trees and shrubs.

Your decision to employ Bartlett, as the contractor for this work will ensure that certified tree experts and arborists are available to consult with you on all phases of protecting and maintaining the trees and shrubs on your property.

Memorandum of insurance is available at www.yorkintl.com/bartlettCOI

Tree and Shrub Work

Prune multi-stem Red Oak tree located at the side of Norfield Rd (corner of Norfield Farm Lane) according to the following specifications:

- Clean to remove all dead, diseased and broken branches 1" in diameter and larger throughout crown to improve health and appearance and reduce risk of branch failure.
- Weight reduction prune on remaining leaders over Norfield Rd, Norfield Farm Lane and stonewall to minimize the risk of branch and/or stem failure.

Lightly raise limbs over stonewall and Norfield Farm Ln to improve clearance.

Remove resulting debris.

- ****Traffic control will be provided by the Town of Weston****

Amount: \$1,990.00
Disposal Fee: \$50.00
Tax: \$129.54

Install 3 supplemental support cables in multi-stem Red Oak tree located at the side of Norfield Rd (corner of Norfield Farm Lane) to limit branch movement to reduce the risk of
