Sam,

Consistent with Section 10 Publicly Bid State and Federal Contracts, Consortia and Cooperative Purchasing of the Procurement Policies and Procedures of the Town of Weston adopted by the BoS in November 2023, we are working off of the State Bidder's List which provides the following:

Section 10 Publicly Bid State and Federal Contracts, Consortia and Cooperative Purchasing

The Town shall avail itself of State and/or Federal contracts and consortia and cooperative purchasing arrangements when it is considered to be in the best interests of the Town of Weston. The Town shall participate in existing contracts that have been competitively bid under rules corresponding to those set forth in this Procurement Policies and Procedures. Acceptable cooperative purchasing contracts shall include, but are not limited to, those specifically extended to political subdivisions and municipalities and issued by Public Purchasing Association of Connecticut (PPAC), Connecticut Regional Council of Governments (CRCOG), the Connecticut Source, and the State of Connecticut, Connecticut Regional Education Council (CREC), National Institute of Government Purchasing (NIGP), Source well, National Joint Powers Alliance (NJPA), and through the Department of Administrative Service (DAS).

The use of such contracts shall be approved by the appropriate person to issue a waiver as described in Table A. The terms and conditions set forth in the contract shall be adhered to by the Town.

In order for a contract that was publicly bid by a state or federal entity, consortium or cooperative purchase to be considered, the contract must be in force at the time of the procurement and be for the goods and/or services referenced in the contract. The contract number shall be included on the requisition and purchase order.

I hope this helps.

Hello Terry

I'm sorry about this mistake in the first contract of the build time. See attached for the contract with the corrected number of days to build the truck. All other paperwork should be fine seeing this document is the only one that stated build times

Have a great day

#### CONTRACT

**THIS AGREEMENT**, made by Firematic Supply Co., Inc., East Yaphank, NY, first party and Town of Weston, 56 Norfield Rd Weston, CT 06883, by its authorized representative, second party.

#### WITNESSETH:

**First.** The said first party hereby agrees to furnish the apparatus and equipment according to the specifications referenced in Bid 1620 and to deliver the same as hereinafter provided.

**Second.** The first party agrees that all material and workmanship in and about said apparatus and equipment shall comply with said specifications. In the event there is any conflict between Customer Specifications and the Firematic Proposal, the Firematic Proposal will prevail. The standard Pierce Manufacturing Warranty will apply.

**Third.** This contract for fire apparatus conforms with all Federal Department of Transportation (DOT) rules and regulations in effect at the time of contract signing, and with all National Fire Protection Association (NFPA) guidelines for Automotive Fire Apparatus as published at the time of contract signing, except as modified by customer specifications. Any increased cost incurred by first party because of future changes in or additions to said DOT or NFPA standards will be passed along to the customer as an addition to the price set forth below, upon written approval of the second party.

**Fourth**. The said apparatus and equipment shall be ready for delivery from Appleton WI within about 1440 days after receipt and acceptance of this contract at the first party's office at East Yaphank, New York. Delays due to strikes, failures to obtain chassis, materials or other causes beyond its control not preventing, and shall deliver to said party of the second part at Weston Fire Dept

Due to global supply chain constraints, any delivery date contained herein is a good faith estimate as of the date of this order/contract, and merely an approximation based on current information. Delivery updates will be made available, and a final firm delivery date will be provided as soon as possible.

**Fifth.** A competent serviceman shall upon request, be furnished by first party to demonstrate said apparatus for second party and to give its employees the necessary instructions in the operation and handling of said apparatus.

Sixth. The second party hereby purchases and agrees to pay for said apparatus and equipment, the sum of:

One (1) new Pierce PUC pumper. Includes 1 factory trip with 3 members \$ 1,256,220.00
Includes \$30,000 in tool mounting
Prepay discount if \$600,000.00 paid net 30 of contract \$ (102,229.00)
Total \$ 1,153,991.00

Payment shall be made directly to first party at its, East Yaphank, New York, office. Under no circumstances shall payment be made to any other party except Firematic Supply Co, Inc.

Any representation that payment is authorized to be made to another party is in violation of this agreement. Net payment is due upon acceptance at the Fire House of the second party.

Payment is due upon delivery and acceptance.

**Seventh.** In case the second party desires to test the apparatus, such test shall be made within ten (10) days after arrival at destination and a written report of such test forthwith delivered to the first party at its principal office at East Yaphank, New York. If no such test is to be made, or if no such report be made by the second party within ten (10) days after arrival, then said apparatus and equipment shall be considered as fully complying with customers specifications.

**Eighth.** It is agreed that the apparatus and equipment covered by this contract shall remain the property of the first party, until the entire contract price has been paid.

**Ninth.** This contract to be binding must be signed and approved by an officer of Firematic Supply Co, Inc., or someone authorized by it to do so. This contract and specifications take precedence over all previous negotiations and no representations are considered as entering into this contract except as are contained herein or in the specifications attached hereto. This contract cannot be altered or modified except by mutual written agreement signed by the parties.

Tenth. If the Producer Price Index of Components for Manufacturing [www.bls.gov Series ID: WPUID6112] ("PPI") has increased at a compounded annual growth rate of 5.0% or more between the month Pierce accepts our order ("Order Month") and a month 14 months prior to the then predicted Ready For Pickup date ("Evaluation Month"), then pricing may be updated in an amount equal to the increase in PPI over 5.0% for each year or fractional year between the Order Month and the Evaluation Month.

The seller will document any such updated price for the customer's approval before proceeding and provide an option to cancel the order without charge if the updated price isn't accepted.

IN WITNESS WHEREOF, the said parties have caused these presents to be executed and the second party has caused its seal to be affixed and attested by its authorized representatives dated on this day of 11/21/2023

NFPA 1901: Standard for Automotive Lire Apparature to maximize fire fighter capabilities and minimize risk of injuries, it is important that fine apparatus be equipped with the latest safety features und operating capabilities. In the last 10 to 15 years, much progress has been made in upgrading functional capabilities and improving the safety features of fire apparatus standards or the equivalent Livers of Ingit include only a few of the safety upgrades, required by the recent additions of the MPA infect department apparatus standards or the equivalent Underwriter's Laboratories of Canada (ULC) standards. Because the changes, upgrades, and fine tuning to MPPA 1901 have been truly significant, especially in the area of safety, fire departments should seriously consider the value (or risk) to fire fighters of keeping the apparatus more than 15 years old in first line service.

#### **OBSTRUCTION AVOIDER**

The Ammann ARX 16 Tandem Roller works flush against curbs and other obstructions and does so smoothly, thanks to an electronic drive lever. Double drive and double vibration are standard and help deliver optimum compaction results. Operator benefits include a rubber-mounted platform that limits vibration and an intultive instrument panel that helps even inexperienced operators succeed. The ARX 16 is built with high quality, long-lasting components that reduce the cost of ownership over the lifetime of the machine.

#### PRODUCTIVITY

#### Electronic drive lever

Advanced drive control enables smooth starts and stops during machine operation.

#### Articulation joint with oscillation

Great manoeuvrability and constant contact with the surface are key factors in achieving high quality compaction.

#### Sprinkling system

Multi-level filtration system with large water tank for extended intervals between fillings.

#### ERGONOMICS

#### Operator platform design

Spacious operator platform with comfortable driver's seat.

#### Simple & convenient operation control

Dashboard with clear display and intuitive machine control.

#### **Exceptional operator visibility**

Perfect all-around machine visibility to maximise safety on the jobsite.

#### **APPLICATIONS**

- Small and medium construction sites
- · City roads
- Boardwalks
- Repair works in city centre

#### SERVICEABILITY

#### Tool-free daily inspection

Quick and easy daily inspection.

#### Maintenance-free parts

Reduce time required for machine maintenance and prevent damage to components.

#### Service point locations

Service and regular maintenance points are quickly and easily accessible.

#### Salaries - 332,283

- There is favorable \$120,737 net turnover savings.
- Degree level change is unfavorable by (\$7,016).
- For fiscal year 2024, a third party provider will provide our behavioral support services. In addition, we will also be using a third party provider for speech support. The total savings in these object codes, \$315,956, will offset the unfavorable balance in the contracted services object code, (\$295,017).
- At the end of fiscal year 2022-23, we discussed adding a Security Supervisor to oversee the district's security needs. As the position was added after the budget was approved, the object code (1210) will be unfavorable. It should be noted that in the aggregate, this will not negatively impact the salary category.

#### Benefits - (\$5,237)

The annual premium increase for workers' compensation was a little more than anticipated.

#### Other Services - (\$34,167)

- Transportation (\$43,319) We have students attending the Regional Center for the Arts (RCA) at CES. We are providing the transportation to and from the program. The estimated transportation cost is \$43,319. We are actively exploring options to reduce this cost.
- The combined LAP insurance renewal premium was less than anticipated, \$9,760, while the renewal premium for athletic insurance was (\$608) more than budgeted. The net savings will offset the increased workers compensation premium.

#### **Internal Services Fund**

Dental claims and fees are currently trending below the two-year average and will be within budget.

SUBJECT: Track Improvement & Capital Budget Transfer Request

#### Track Improvement

A few months ago we invited three vendors to provide proposals for the resurfacing of the high school track.

The vendors submitted proposals that range from \$650,435 to \$718,645. The proposals were reviewed by myself, Mike DelMastro, Mark Berkowitz and Dave Ungar. After reviewing and discussing the proposals we have decided to award the project to ATT Sports Inc. The decision was based on their recently completed projects and the project cost of \$650,435.

The project has three components:

- 1) Track Replacement
- 2) Removal & disposal of pole vault & replace with new long Jump Pit
- 3) Relocating pole vault station

#### Capital Transfer Request

| Track Improvem    | ent | Cost    |
|-------------------|-----|---------|
| Projection Cost   |     | 650,435 |
| Budget            |     | 602,500 |
| Additional Needed | \$  | 47,935  |

As the project cost is in excess of the budget, we are requesting a transfer of \$47,935 from the Duct Cleaning project.

#### Board of Finance Special Meeting November 21, 2023 6:00 PM Meeting Held Remotely

**Call to Order:** Board of Finance Chair Michael Imber called the meeting to order at 6:04 pm. Attendees were Vice Chair Rone Baldwin, Theresa Brasco, Christopher Bryant, Amy Gare, Jeffrey Goldstein. An excused absence was noted for Jeffrey Farr.

- 1. Discussion regarding the Town's first quarter financial report for fiscal year 2023-24. Rick Darling, Finance Director. Mr. Darling provided a summary of the FY 2023-2024 General Fund Year End. Highlights were provided for tax revenues estimated at \$140K higher than budgeted due to favorable tax collections as well as abatement and deferments coming in less than budgeted. Investment Income is \$575K higher than budgeted due to short term yields. Town Clerk receipts and building permits primarily are higher. State revenue reflects receipts from the state municipal revenue sharing program. Expenditures summarized are health insurance is \$50k less due to fewer employees currently on the health plan. Pensions reflect a surplus due to the state reducing employer MERS contribution rates. Public works and School/Town water reflects a deficit primarily due to road paving and additional work related to PFAS at the schools. Mr. Darling estimated the Unassigned Fund Balance at \$17,877,094 as of September 30 which is 21.8% of a tentative pro forma FY 25 budget. Mr. Imber noted it is premature to forecast the FY 25 budget and made specific mention that the Unassigned Fund Balance represented 22.4% of FY 24 budget. Questions and discussions continued.
- 2. Discussion regarding updates from summer study groups. Mr. Imber discussed that the BOE is unlikely to have a decision on the infrastructure needs of Weston Public Schools as they wish to pursue a careful and measured approach to evaluate capital spending. In the absence of identifying the total bonding needs for next year, the long-term projection study group will defer preparation of any projections until better inputs are available from BOE. BOF will revisit this issue next year.
- 3. Approval of minutes from the October 12th regular meeting. Mr. Imber called for a motion to approve the October 12, 2023 minutes. Motion made by Mr. Baldwin, seconded by Ms. Brasco. Mr. Goldstein and Mr. Bryant abstained. Motion carries.
- Adjournment. Mr. Imber called for a motion to adjourn. Mr. Goldstein made the motion, seconded by Mr. Bryant. All in favor. Motion passes unanimously. Meeting adjourned at 6:30pm.
