March 5th, 2024

Dear Selectwoman Nestor,

Please accept this letter as my formal resignation from my position as a committee member on the Sustainable Weston town committee, effective Friday March 8th. 2024.

Over the past 5 years, I have been impressed with the level of engagement from town leaders and heartened by the level of interest shown by our community, as evidenced in the success of our town wide survey that led in part to the creation of our town's first sustainability strategic plan.

The SW committee is comprised of volunteers who work hard to bring awareness to residents of sustainable living opportunities in our community, and I am proud of what this group has achieved together.

I am grateful for the opportunity to serve the town of Weston, and look forward to supporting the town as an engaged citizen and active volunteer in the future

I wish you and the Town of Weston a very green future.

Sincerely,
