Parent Volunteers Needed!

Dear Parents-

We cannot run these programs without help! We need volunteers to help with all levels on Saturdays. If you are available and willing, we want you! No experience necessary.

Please email jparciasepe@westonct.gov to be placed on our list and we'll contact you as we get closer to the season! All volunteers will be given a link for background checks- no one is permitted to volunteer with the children without it!

Thank you!
