We are happy to report that the Weston Emergency Communication Center is staffed and fully functional at this time. Our 911 and routine phone numbers are up and fully operational in the same capacity as prior to the shift to Redding. Thank you to First Selectman Julia Pemberton, Chief O'Donnell, Communication Director Schnell and all of the Redding Dispatchers for your mutual aid and support over the past 10 days. Your true professionalism and dedication to public safety were evident as you stepped up to help your neighbors in a time of extreme need!

Thanks,

Joseph Miceli
