Not Attending: Terry Cho, Vickie Kelley

Guest: Max Burns
Advisor: Harry Falber

Max: update on the goats

Elizabeth: Farm Management update. We have a quote for \$5000.00 for heaters in the barn which was decidedly too expensive at this time. We will need 4 radiant heaters instead. One for each corner of the barn. Motion to purchase 4 radiant heat standing heaters by Carol and second by Stirling. Motion approved.

Stirling: Discussed looking into using the maintenance fund for snow plowing for sledding days. He will remove the orange cones from the parking area and they will be replaced with a low fence.

We discussed the placement of the outdoor lavatories. Stirling is tearing down his tree house and use the wood to create a wall around them within the next month.

Carol: Made a report of our annual appeal success.

Motion to adjourn: Carol and Kirby at 20:24
