

Good afternoon. It is Friday June 4, 2021 and this is First Selectman Christopher Spaulding with a coronavirus update.

Since our last update a week ago on May 28, 2021 we have had only 1 new positive COVID test result of a Weston resident.

With the numbers trending so low, we are going to put a pause on our weekly updates. We will send out an update if there is any significant change in COVID-19 response or vaccination policy.

Thank you for your continued efforts.

For updates and more information on where to get tested, vaccination locations, mask mandates etc. please see the COVID-19 page on the Town Website:
