

Conservation Commission

CONSERVATION COMMISSION SITE WALK MINUTES FOR JUNE 12, 2021

MEMBERS PRESENT:

Holly Charlesworth, Sarah Schlechter, Bob Turner and Mike Reiner

Also present: Keisha Fink, Conservation Planner, Tracy Kulikowski, Land Use Director and Rob Sanders AIA, Rob Sanders Architects LLC

The site walk of 106 Godfrey Road West, Lachat Town Farm commenced on Saturday, June 12, 2021 at 8:00 am.

- No members of the community were present.
- Existing wetlands were flagged and corners of the proposed building and deck areas were staked.
- Mr. Sanders showed the Commission Members and Town Staff the elements the proposed project on the submitted plans.
- Mr. Sanders indicated the location of the intermittent stream; rock wall and upland lawn area which will not be disturbed as part of this project.
- Mr. Sanders then lead the group on a tour of proposed location of the new building and identified to the group the existing building which is in disrepair and to be demolished, along with an existing tree that will be removed.
- The applicant will present to the Commission the scope of the proposed project at the June 30, 2021 Public Hearing.

The Site walk adjourned at 9:00 a.m.
