South Windsor CT

Attention: Kim Winchell

Subject: Change Order Request (Rake Edge Height Adjustment)

Weston Public Library

Dear Sir,

Pursuant to our discussion today regarding the field condition encountered at the rake edges, we have calculated the cost for labor to raise the height of the skip sheathing along the rake edges to match the height of the rake boards currently. The material required shall be made from the butt end cut-offs of the wood shingles.

Rake edges measure 347 lin. ft. Total (9 rake areas total)

Labor: 1 man/1/2 day each	36 hours @ \$ 95.00 =	\$ 3,420.00
	15% Overhead & Profit =	<u>\$ 513.00</u>
	Sub-Total =	\$ 3,933.00
	3% Bond Premium =	<u>\$ 117.99</u>
	GRAND TOTAL =	\$ 3,950.99

Please review and advise your approval at your earliest convenience, so that we may add it to our Schedule of Values, continue with the installation, and requisition for it immediately. If you have any questions or require further information, do not hesitate to contact me. Thanking you in advance for your cooperation, I remain,

Very Truly Yours,

John E. Antonelli

President
