## Conservation Commission

WCC Walk Notes – August 14, 2021 8 a.m. submitted by T. Failla, Conservation Planner (Draft)

142 Weston Road – M. Reiner, S. Schlechter, T. Failla

Members observed wetland flagging E&S controls, the completed work on permitted septic tank replacement, water treatment well (WTW) and associated trench for pipe from house to WTW, seeding and haying of the disturbed areas, wood chips on path and play area west of stream and small shed on blocks within wetland boundary.
