

Hello Weston. First Selectwoman Sam Nestor here with an important Covid update.

This week there is an increase of 5 individuals from November 11, 2021 to November 19, 2021. Up 8 cases in the past 2 weeks. The total accumulated Covid numbers for Weston are at 719.

Weston remains in the “grey” zone with less than 5 cases over the past 2 weeks. Fully vaccinated rates continue to creep up.

Please note the local mask mandate has been lifted as of November 5, 2021. However masks are still required in all Town owned properties as well as at Weston Schools.

Booster shots will soon be available to all adults previously vaccinated, please see here:
